Gina M DiNardo, Secretary

CHECK IN AND INSPECTION: Check In will occur on a rolling basis throughout the day. The two Fast CAT Tests each day will be run CONCURRENTLY, so a dog entered in both Tests will run twice within an hour or so. Check In is immediately followed by inspection for fitness, lameness, or "in season" females. Each female dog will be inspected. The dog owner will be required to wipe the dog with tissue to show the dog is not in season.

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The inspection committee has the authority to disallow a dog's entry into a test and, in such instances, applicable entry fees will be refunded. At roll call, dogs may be measured by a wicket to verify handicaps.

Bitches in season, lame and unfit dogs will be excused with entry refunded. Please do not bring bitches in season to the test.

ENTRIES OPEN: Friday, July 18th, 2025

ENTRIES CLOSE: Friday, August 29th, 2025

WE WILL NOT ISSUE "NOSHOW" REFUNDS FOR ANY REASON

Gate Entries: \$25 per dog, per test

\$30 per dog for entries received after closing date of August 29th:

CASH ONLY for DAY OF Entries- No checks or credit cards will be accepted at the show.

TEST HOURS

You will be assigned a check in time in your confirmation email. Please do not sign in and get in line to run before your assigned time. Exhibitors will not be allowed to check in and queue before all dogs have run from the earlier assigned slots.

Trial restrictions: It is the responsibility of each entrant to try to be ready when their dog is called to the line. Trial will begin with workers dogs and until all runs are completed. 16 to 18 dogs will be scheduled to run each hour and concurrent trials will be in effect. Once your two runs are completed you MUST leave the grounds.

Trials will be run concurrently each day.

WHAT MUST MY DOG DO TO PASS A Fast CAT?

Fast CAT, unlike the CAT, is not a pass/fail, but a timed 100-yard dash chasing a lure past a start line and over a finish line. Break Beam Timers will be used. If the timers become inoperable, we have stop watches as a backup system. The time is converted to MPH and then multiplied by a potential handicap based on the dog's height to award points.

We will be using a continuous loop lure. The Fast CAT Track and run out are fully fenced.

The Lure will run down the center of the track and will return without obstructing the exit.

CAN MY DOG EARN AN AKC TITLE FOR Fast CAT?

Titles are earned by accumulating points. The following titles will be awarded: BCAT = 150 points; DCAT = 500 points; FCAT = 1,000 points; and FCAT followed by a number (e.g. FCAT2) for every additional 500 points. These suffix titles will appear on a dog's pedigree, with a higher-level title superseding a lower-level title.

What is the Fast CAT?

1. Fast CAT is a timed straight 100-yard dash for dogs.
2. Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced, and dogs are run individually.
3. The time is converted to miles per hour (MPH).
 - a. FORMULA: $204.545 / \text{RUNTIME} = \text{MPH}$ Based on the dog's size at the withers, a handicap is applied to calculate points earned
 - b. 18" or greater = Handicap is 1.0
 - c. 12" up to less than 18" = Handicap is 1.5.
 - d. Under 12" = Handicap is 2.0. (ROUNDED TO NEAREST 0.01)
4. FORMULA: $\text{MPH} \times \text{HANDICAP} = \text{POINTS}$
5. Titles are earned at specific point levels and the highest suffix may appear after the dog's name:

BCAT = 150 points DCAT = 500 points FCAT = 1,000 points

FCAT# = Each additional 500 points

Top 20 by Breed by Year: The AKC Fast CAT website will feature the Top 20 fastest dogs by breed. Dogs must complete at least 3 qualifying runs in each calendar year to qualify for **the Top 20**. The standings will be updated as event results are processed at https://www.apps.akc.org/apps/fastcat_ranking

ACCORDING TO AKC RULES: Handlers are not permitted to run with a dog during an official run but must remain either at the start or finish area of the course. Handlers are not to allow dogs to be enticed through the course with anything other than the lure during its official run. NO mechanical devices including whistles, horns, bull horns, etc. or toys including the waving of objects to lure the dog to the finish line are allowed. **You MAY CHEER and use the dog's name.**

Be prompt at the start line when your number is called. It is best to have one person release your dog and have the primary owner calling and catching the dog at the finish line in the catch area.

Be sure to "warm up" your dog prior to your run. It is equally important to give your dog a "cool down" walk after the run. This will add to the health and well-being of your dog.

Collar Rules:

Dogs may run without a collar or wear any type of collar except choker collars, spiked collars, electronic training collars or head collar. Collars should be snug. Hanging tags pose a safety concern and it is suggested that tags be secured to the collar with tape. Dogs may run muzzled if desired. Clips or rubber bands may be used to keep long hair from falling across the dog's field of vision.

NOTICES

All entrants must have a FastCAT partner who will either be responsible for releasing the dog at the start line or catching the dog in the catch pen. If an entrant acquires a volunteer on the day of the event, (either DPCSC Staff, El Monte County Park personnel, DPCSC Club member or other entrant), those volunteers will not be held liable for the actions of the dog, to include:

1. Poor start
2. Inability to control/catch the dog at the finish. It is encouraged to have a FastCAT partner familiar with the dog to catch the dog to avoid anxiety.
3. Owners with overstimulated dogs who need assistance to the start line will be handled with special care. The Paddock and Huntsperson may request early entry, separation from the "wait" line, or special action necessary to allow for a safe run for the dog and for the safety of everyone in the "wait" line.
4. Dogs who pose control problems in the catch area may require special assistance. The lure operators will "hold the course" until the dog is safe and under control at the finish line.

All dogs should be "warmed up" before running, which means a good 5-minute walk after leaving the car BEFORE running, and "cooled down" after running, which means a good 5-to-10-minute walk before entering the car

ALL DOGS RUN AT OWNER'S SOLE RISK: This is a rain-or-shine outdoor event. Please plan accordingly.

All AKC rules regarding sportsmanship and conduct apply. All entries must be 12 months of age or older on the day of the test. Please bring your own shade, chairs and water. On site bathrooms are available.

You are responsible for controlling your dog(s) and children. Dogs must be on lead or crated unless running. You must provide two sturdy leashes (not show or flexi); one to hold your dog and one to catch your dog. [Please arrange for someone to either catch or release your dog since you cannot be in two different places 100 yards apart.](#) There may be dog holders/releasers, known as slippers, at the staging area. Be sure your dog can be caught at the end of the course.

A fine will be assessed for any loose dog on the field not competing, or an exhibitor caught not picking up after their dog. Bitches in season and lame dogs will be excused. Entry fees will be refunded.

Any person, upon reasonable complaint, may be asked to leave the grounds of the field trial by the Field Committee and may be disciplined by the AKC. Children must be under control of their parent(s) or guardian(s) at all times.

Neither DPCSC, El Monte County Park nor their members will be held responsible for any accidents at these tests. The field committee reserves the right to bar known aggressive dogs from the event site.

NO ONE will be allowed on the field without the express permission of the event chairman, except the appointed event committee. Anybody exhibiting unsportsmanlike behavior will be excused from the field and may be subject to further disciplinary action.

There will be a \$5 fine assessed for any loose dog not taking part in the course in progress, or for anybody caught not picking up after their dog or for leaving garbage on the field.

The event-hosting club, the Doberman Pinscher Club of Southern California, El Monte County Park, their agents, members, representatives, volunteers, etc., assume no liability or responsibility for any loss, damage or injury sustained by exhibitors, handlers, or to any of their dogs or property and further assumes no responsibility for injury to children or spectators before, during, or after this event.

The Doberman Pinscher Club of Southern California has the right to cancel any event without notice at their discretion, due to inclement weather or unsafe field conditions deemed an endangerment to the dogs or their owners.
